If you wish to seek an extension of the validity of this permission, you may submit an application to the TPB for renewal of the permission no less than six weeks before its expiry. This is to allow sufficient time for processing of the application in consultation with the concerned departments. The TPB will not consider any application for renewal of permission if the time limit for commencement of development specified in the permission has already expired at the time of consideration by the TPB. Please refer to the TPB Guidelines No. 35C and 36A for details. The Guidelines and application forms are available at the TPB's website ([www.info.gov.hk/tpb/](http://www.info.gov.hk/tpb/)), the Planning Enquiry Counters (PECs) of the Planning Department (Hotline : 2231 5000) at 17/F, North Point Government Offices, 333 Java Road, North Point; 14/F, Sha Tin Government Offices, 1 Sheung Wo Che Road, Sha Tin; and the Secretariat of the TPB at 15/F, North Point Government Offices.

A copy of the TPB Paper in respect of the application (except the supplementary planning statement/technical report(s), if any) and the relevant extract of minutes of the TPB meeting held on 8.9.2017 are enclosed herewith for your reference.

Under section 17(1) of the Town Planning Ordinance, an applicant aggrieved by a decision of the TPB may apply to the TPB for a review of the decision. If you wish to seek a review, you should inform me within 21 days from the date of this letter (on or before 13.10.2017). I will then contact you to arrange a hearing before the TPB which you and/or your authorized representative will be invited to attend. The TPB is required to consider a review application within three months of receipt of the application for review. Please note that any review application will be published for three weeks for public comments.

This permission by the TPB under section 16 of the Town Planning Ordinance should not be taken to indicate that any other government approval which may be needed in connection with the development, will be given. You should approach the appropriate government departments on any such matter.

If you have any queries regarding this planning permission, please contact Ms. Irene Lai of Hong Kong District Planning Office at 2231 4935.
