

## List of Approval Conditions

### Application No. A/TKO/86-2

- Application Site : Area 86, Tseung Kwan O
- Subject of Application : Proposed Class B Amendments to Approved s.16 Application No. A/TKO/86 - Proposed Comprehensive Commercial and Residential Development with Eating Place, Educational Institution, Flat, Government Use (not elsewhere specified), Off-course Betting Centre, Office, Place of Entertainment, Place of Recreation, Sports or Culture, Private Club, Public Transport Terminus or Station, Public Utility Installation, Religious Institution, School, Shop and Services, Social Welfare Facility, and Utility Installation for Private Project, and Minor Relaxation of Maximum Non-domestic Gross Floor Area
- Date of Approval : 17.11.2010
- Approval Conditions :
- (a) the submission and implementation of a revised Master Layout Plan (MLP) and development schedule to take into account the approval conditions (b) to (ad) below to the satisfaction of the Director of Planning or of the Town Planning Board (TPB);
  - (b) the submission and implementation of a revised landscape master plan to the satisfaction of the Director of Planning or of the TPB;
  - (c) the design and provision of environmental mitigation measures within the application site, including but not limited to noise, to the satisfaction of the Director of Environmental Protection or of the TPB;
  - (d) the provision and maintenance of the noise mitigation measures identified in the report on the feasibility of applying low noise road surfacing at Wan Po Road approved by the Director of Highways on 28.7.2006 or any other alternative measures, as proposed by the applicant, to the satisfaction of the Director of Environmental Protection or of the TPB;
  - (e) the submission and implementation of an environmental monitoring and audit programme to ensure protection of the future residents in Area 86 from the potential industrial noise impact from the Tseung Kwan O Industrial Estate, as proposed by the applicant, to the satisfaction of the Director of Environmental Protection or of the TPB;
  - (f) the submission and implementation of a monitoring programme and contingency plan for dealing with potential landfill gas and leachate migration to the satisfaction of the Director of Environmental Protection or of the TPB;
  - (g) the design and provision of emergency vehicular access, fire service installations and fire fighting water supplies to the satisfaction of the

Director of Fire Services or of the TPB;

- (h) the submission of an updated Traffic Impact Assessment and implementation and completion of the junction improvement works proposed therein prior to the population intake of Stage 2 of the proposed development to the satisfaction of the Commissioner for Transport or of the TPB;
- (i) the detailed design and provision of vehicular accesses arrangement to the application site and internal roads and roadside loading/unloading facilities within the application site to the satisfaction of the Commissioner for Transport or of the TPB;
- (j) the design and provision of decking of internal roads within the application site to the satisfaction of the Director of Environmental Protection or of the TPB;
- (k) the design, construction and timing on the operationalization of the temporary and permanent combined public transport interchanges to the satisfaction of the Commissioner for Transport or of the TPB;
- (l) the design and provision of vehicle parking spaces and loading and unloading facilities to the satisfaction of the Commissioner for Transport or of the TPB;
- (m) the design and provision of a cycle track and cycle parking system serving the development to the satisfaction of the Commissioner for Transport or of the TPB;
- (n) the submission of a detailed assessment on the adequacy of pedestrian circulation facilities at the junction of Wan Po Road and Shek Kok Road and provisions of improvement measures identified therein to the satisfaction of the Commissioner for Transport or of the TPB;
- (o) the design and provision of a covered pedestrian walkway system within the application site and a footbridge across LOHAS Park Road (previously known as Road D10 or Road L861), as proposed by the applicant, to the satisfaction of the Commissioner for Transport or of the TPB;
- (p) the design and provision of structural support and connections for one footbridge across Road D9 and for two possible footbridges across Wan Po Road to the satisfaction of the Commissioner for Transport or of the TPB;
- (q) the submission of a revised visual impact assessment study for the MLP and implementation of the mitigation measures identified therein to the satisfaction of the Director of Planning or of the TPB;
- (r) the design and provision of terraced podia for Package 1 and Package 2 within Stage 1 of the proposed development to the satisfaction of the Director of Planning or of the TPB;

- (s) the design and provision of drainage and sewage disposal facilities including drainage and sewerage reserves to the satisfaction of the Director of Drainage Services or of the TPB;
- (t) the designation of water main reserves within the application site to the satisfaction of the Director of Water Supplies or of the TPB;
- (u) the design and provision of a minimum of 2.3 hectares of district open space and 7.07 hectares of local open space to the satisfaction of the Director of Leisure and Cultural Services or of the TPB;
- (v) the design, provision, maintenance and management of a 3m green strip between the southern boundary of the application site and Road D9 as proposed by the applicant to the satisfaction of the Director of Leisure and Cultural Services or of the TPB;
- (w) the design and provision of refuse collection points to the satisfaction of the Director of Food and Environmental Hygiene or of the TPB;
- (x) the provision of a site for an indoor recreation centre to the satisfaction of the Director of Leisure and Cultural Services or of the TPB;
- (y) the design and provision of a kindergarten/kindergarten cum child care centre within Stage 1, as proposed by the applicant, and kindergartens within the remaining Stage(s) of the proposed development to the satisfaction of the Secretary for Education or of the TPB;
- (z) the design and provision of three primary schools and two secondary schools to the satisfaction of the Secretary for Education or of the TPB;
- (aa) the design and provision of an integrated team of children and youth services centre, neighbourhood elderly centre, nursery, social centres for the elderly and residential care home for the elderly to the satisfaction of the Director of Social Welfare or of the TPB;
- (ab) the design and provision of a community hall to the satisfaction of the Director of Home Affairs or of the TPB;
- (ac) the design and provision of a police facility room to the satisfaction of the Commissioner of Police or of the TPB; and
- (ad) the submission and implementation of a staged development programme of the proposed development based on a comprehensive traffic impact assessment to the satisfaction of the Director of Planning or of the TPB.

Application No. A/TKO/86-2

THE MLP WILL BE SUBJECT TO CHANGE TO  
INCORPORATE THE REQUIREMENTS OF  
THE APPROVAL CONDITIONS

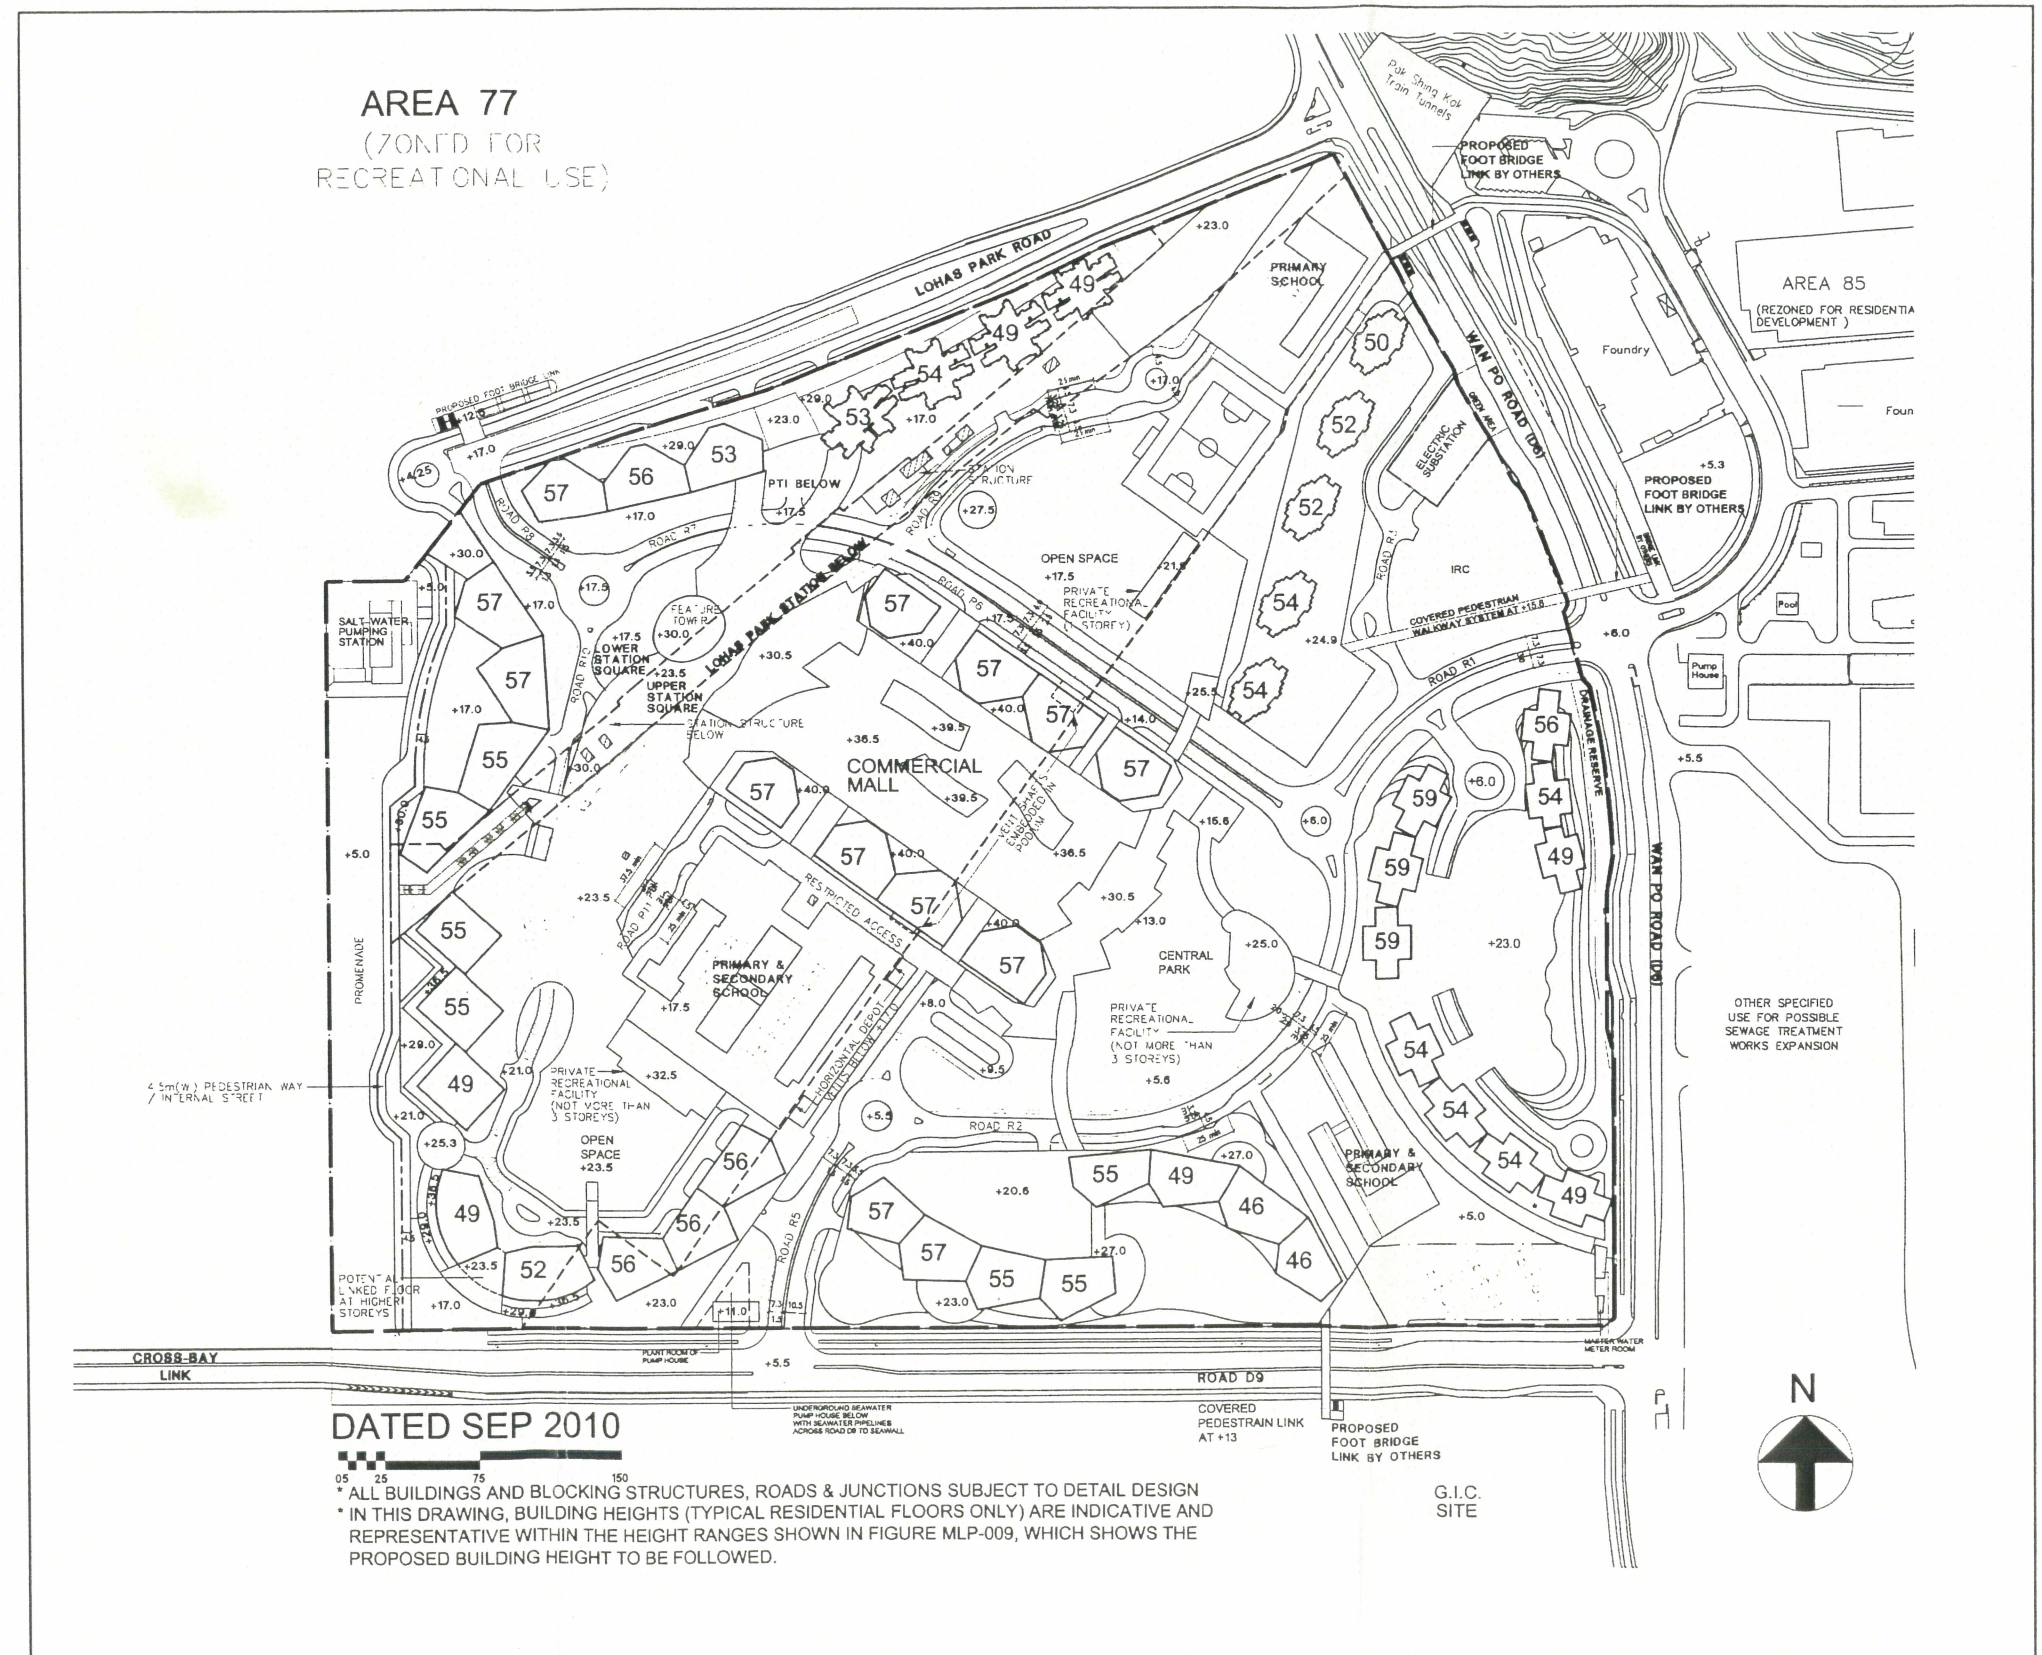

## Master Layout Plan

(Refer to MLP Drawing Nos. MLP-001 to MLP-010 for details)

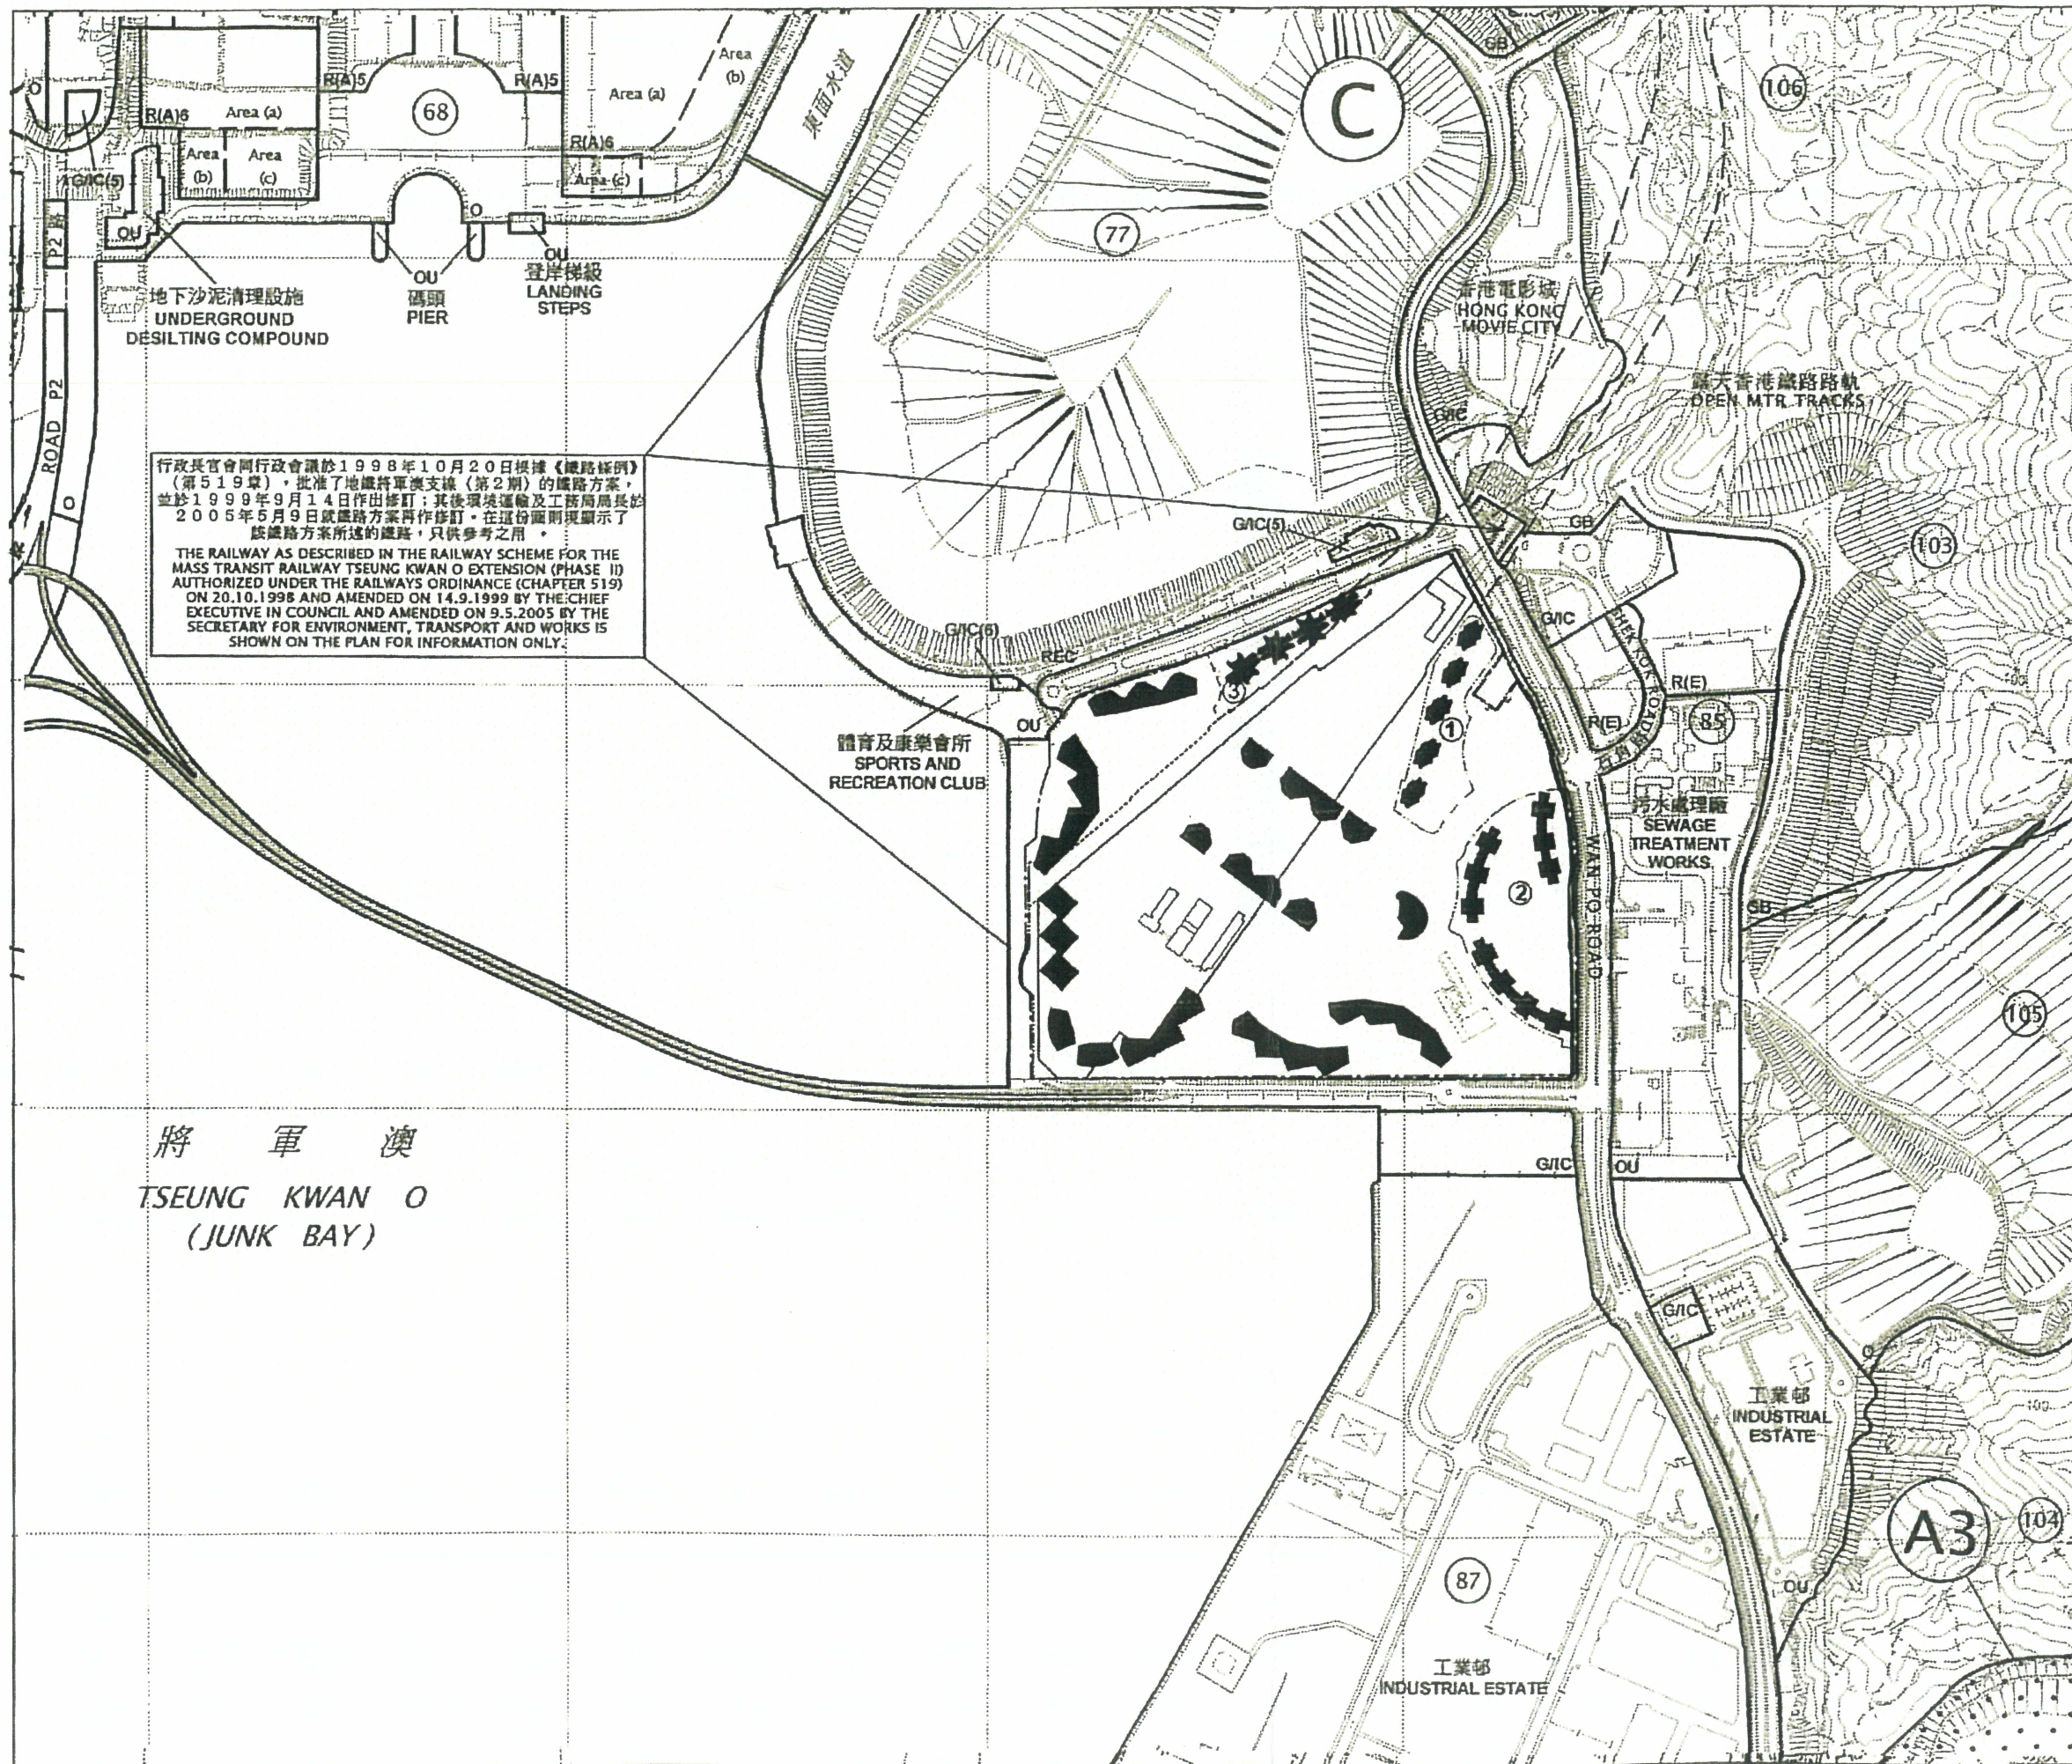

- This plan provides the general context for the scheme and should be read in conjunction with figures MLP-001 to MLP-010.
- All roads and junctions are subject to detailed design.
- Configuration of all building and blocking structures are indicative and subject to detailed design.
- Building heights (typical residential floors only) are indicative and representative within the height ranges shown in drawing no. MLP-009.
- All levels are subject to detailed design. For stepped residential podia, only indicative general levels are shown.

茲證明城市規劃委員會已根據城市規劃條例第4A(3)條的規定而於二零一零年十一月十七日批准本總綱發展藍圖。  
I hereby certify, as required under S.4A(3) of the Town Planning Ordinance, that this Master Layout Plan was approved by the Town Planning Board on 17. 11. 2010.

			1 loading/unloading bay per RCP		

**Notes**

- 1 Average flat size will be determined subject to detailed design and review in response to market conditions. Based on the proposed GFA and flat number, the average flat size will range between 65 - 81s.m. (approx).
- 2 Commercial includes shops and services and other commercial uses including eating places, educational institutions, off-course betting centres, offices, places of entertainment, private clubs, religious institutions and schools (excluding nursery, kindergarten, primary and secondary schools).
- 3 All Covered Pedestrian Walkways are opened for public 24 hours a day.
- 4 Provision of G/IC facilities and open spaces based on upper limit of proposed flat production range of 20,000 - 21,500 units. Subject to detailed design and review.
- 5 1 no. combined Primary and Secondary School proposed. The remaining 1 pair of primary and secondary schools can be built as combined schools if required.
- 6 Does not form part of development packages. Design and provision to be decided by Government.
- 7 Does not form part of development packages. Design and provision to be decided by CLP.
- 8 Parking provision based on 20,000 - 21,500 flats. Subject to adjustment in accordance with actual flat production.

## APPENDIX 3.3

### Development Programme (indicative)

In view of the housing market conditions at present and the need to ensure that the large-scale housing supply in this newly developed area can be absorbed into the market, the current indicative programme assumed to be extended to 2020. The market will be kept under review and the programme may be accelerated if conditions improve.

<sup>1</sup> The scope and programme for the stages, each containing several development packages, reflect current market conditions and may be accelerated if the market improves.

<sup>2</sup> Railway station opened with population intake in 2009.

<sup>3</sup> Provision of G/IC facilities and open space based on upper limit of proposed flat production range of 20,000 - 21,500 units. Number of flats is indicative and rounded. Subject to design and review.

<sup>4</sup> Stage of provision indicative - subject to agreement with concerned departments. These and other G/IC facilities to be provided commensurate with departmental requirements and population build-up.

<sup>5</sup> Approximate only; this will be refined during the detailed design of the scheme layout.

<sup>6</sup> Does not form part of development package. Design and provision to be decided by Government.
